Hello!
You are receiving this email because you signed up for the last climate resilience and adaptation-themed event at Penn State New Kensington. I wanted to bring to you attention that we will be having another event titled the **Climate Resilience and Adaptation Project Fair on Tuesday, April 21st from 6pm to 8pm in the Penn State New Kensington Art Gallery**. This event will include interactive projects that focus on exploring adaptation solutions for climate-related problems in power generation, transmission, and distribution from students from a wide variety of majors. Please consider sharing this event with anyone who you think would be interested in attending (remotely or in-person). Dinner will be provided for those who attend in-person—we hope to see you there!
